

Stroke Research in the Okanagan

Thursday, November 7 from 1.00 – 3.00 PM

**Location: Okanagan College, Penticton Campus.
Sunoka Building, room A06.**

The venue is accessible for those who use mobility aids.
Signage will be available to direct you to the right building and room.

A free, ticketed workshop highlighting the importance of stroke research.
Join People with Lived Experience of a stroke and caregivers and learn about stroke research taking place at UBC, the Okanagan and Canada.

Meet UBC-O researchers, March of Dimes After Stroke staff and Interior Health staff.
