WELCOME TO PENTICTON

PENTICTON, PRONOUNCED “PEN-TIK-TON” DERIVES FROM THE SYILX OKANAGAN NATIONS “SNPINTKTN”, MEANING “A PLACE WHERE PEOPLE HAVE ALWAYS BEEN ALL YEAR LONG.”

Penticton boasts long, hot summers and dry winters, with over 2000 hours of sunshine each year. This sunny climate is complimented by a stunning blend of rugged terrain, a refined urban centre, a rich agricultural heritage, and a variety of accessible trails ideal for outdoor adventures. Penticton is a place where even if you don't stay all year, you'll continue coming back to make new memories for years to come.

Penticton is the third largest city in the Okanagan Valley and the hub of the South Okanagan. With Skaha Lake to the south and Okanagan Lake to the north, Penticton is one of just two cities in the world situated between two lakes. Our landscape boasts over 15 acres of premium sandy beaches surrounded by wilderness, vineyards and orchards. Our beaches are just the beginning of a long list of outdoor activity options including hiking, cycling, rock climbing, golfing, floating the channel, swimming, kayaking, sailing, kiteboarding, skiing, snowboarding, snowshoeing, and so much more.

With a convenient city centre and only 7 km from Okanagan Lake to Skaha Lake, Penticton is the perfect destination to explore by foot, pedal or paddle. Those looking to enjoy the abundance of farm fresh produce can stroll our farmers' market, forage for their own produce at u-pick farms, savour the local flavours of our diverse culinary scene, or sip at one of our numerous wineries, craft breweries, or nearby cideries and distilleries. The crown jewel of the region is the Kettle Valley Rail (KVR) Trail offering beautiful views of the Okanagan Valley perfect for walking, biking or horseback riding.

Our unique location in BC makes Penticton an iconic destination all year long. So whether you're attending a large event or festival, or bringing your bike, skis, paddle board or hiking boots, our trails and our community welcome you each and every season.

NARAMATA BENCH SECTION

Easily accessible from downtown, the best place to start is by parking on Vancouver Ave and then accessing the KVR Trail at the end of Vancouver Place. As you leave the city behind, you'll find yourself on the eastern ridge of the Naramata Bench, surrounded by vineyards and lake views.

The gentle 2.2% grade makes this perfect for:

BEYOND PENTICTON

NORTH ROUTE

- Access from Trout Creek area in Summerland
- Park at Fenwick Road

- Follow Skaha Lake's shoreline
- Pass through Kaleden village
- Cross the Trestle Bridge
- Plan for a 3-hour round trip by bike

The KVR welcomes you year-round. Walk it in spring bloom, bike it in summer sun, catch fall colors, or try fat-biking in winter. Every season brings new views of our valley, lakes, and mountains.

SAFETY FIRST

The section from Faulder allows vehicles, so bring appropriate bike tires. Between The Little Tunnel and Ruth Station (Kelowna), be especially alert as this section permits motorized traffic.

Penticton's dining landscape is as diverse as its picturesque setting, offering everything from lakeside fine dining to cozy cafes. For Turkish flavours with a focus on seasonal ingredients, visit Elma Restaurant, a lakeside gem. The Hooded Merganser at Penticton Lakeside Resort pairs Mediterranean inspired dishes with stunning water views, while BRODO (Italian for "broth") features locally-sourced ingredients in a variety of soups, sandwiches and salads, and the menu changes seasonally to reflect what's fresh from the harvest.

WINE & DINE

Wine country dining reaches new heights at several estate restaurants. Hillside Winery & Bistro serves farm-to-table dishes on their scenic patio, while The Kitchen by Abul Adame at Da Silva Vineyards offers an unconventional fine dining experience with a range of ethnic farm foods, many of them Mexican and Portuguese in origin. At Upper Bench Winery & Creamery, pair award-winning wines with their house-made artisanal cheeses.

PINTS & BITES

The city's craft beverage scene brings its own flavours to the table. Abandoned Rail Brewing serves pizza and sandwiches alongside their beers, while Cannery Brewing offers shareable plates like their unbeatably delicious nachos, perfect for casual gatherings. For an unforgettable non-alcoholic experience, visit Joos Box for uniquely crafted mocktails along with flavourful sweet and savoury snacks.

FROM START TO FINISH

Start your day at Wayne & Freda with artisanal coffee and creative breakfast dishes, or visit The Bench Market for hearty sandwiches and freshly baked goods. For a sweet ending, Tickleberry's Ice Cream Shop, a local institution, offers over 50 flavours plus homemade fudge, while Cherry on Top Shake Shop specializes in decadent milkshakes and sundaes.
